

We are excited to announce Johnny Phillips as the new Head Basketball Coach at Mountlake Terrace High School. A MTHS alum and longtime assistant coach with the boys basketball program, Coach Phillips has a clear passion for the MTHS community and firsthand knowledge of the strong tradition of “hard work, trust, and family” established in the boys basketball program. He brings with him a wealth of basketball knowledge, having served as the Varsity Assistant next to Nalin Sood the last 24 years at MTHS. Coach Phillips has been an integral part of helping maintain and build from the traditions established by Coach Blevins and Coach Ottmar, and now will continue to build upon those set by Coach Sood. Coach Phillips becomes just the fourth coach in Mountlake Terrace basketball history and we are excited for him to leave his mark on the program!
